RATHDRUM PUBLIC HEARING PROCEDURES

The public hearing will proceed pursuant to the process established by City Resolution 235, as follows:

1. City staff will give a brief description of the application.
2. The applicant and any technical witnesses like their engineer or other representative will have up to 15 minutes to present their information on the proposal.
3. City staff will provide their staff report.
4. Individual public testimony – from those in favor, neutral, then opposed - will be accepted up to three (3) minutes per person. Up to 15 minutes may be granted for a spokesman of a group to speak if pre-arranged.
5. The applicant will be given an opportunity to rebut and answer questions.

All individuals wishing to speak need to sign-in and provide their contact address on the meeting roster or speaker sign-up sheets. Testimony provided should be directed only to the subject at hand, should not be repetitive and be respectful. No further testimony from the applicant or public will be taken after close of the public hearing.
