

State of Idaho Veterans' Preference Form VP-1

Idaho Division of Human Resources, 304 N. 8th St., Boise, Idaho 83720-0066

As a way of honoring those men and women who have served their country on active duty with the armed forces, the State of Idaho gives preference to veterans by providing them a more favorable competitive position for state government employment, while at the same time acknowledging the larger sacrifice of disabled veterans. Eligible veterans are provided advantages in employment with the State of Idaho, including preference for initial employment and retention in the event of layoffs.

To determine your eligibility for veteran's preference points, please complete all applicable sections. Veterans' preference points shall be used only for the purposes of initial appointment to a State of Idaho position and not for the purpose of any promotion, transfer, or reassignment. "Initial appointment" means the first time a qualified veteran, or the spouse, widow, or widower of a qualified veteran, is hired by the state. Initial appointment does not include jobs held by patients, inmates or students in or enrolled at a state institution; temporary or casual employment with the state; or any office filled by an election.
